

## MOTORSPORT 101

As a new beneficiary, you will be introduced to the world of motorsports through a series of online and hands-on lessons essential for you to complete. The lessons are broken down into the following presentations.

### Online training

This training involves four lessons which include a 15-question, multiple-choice knowledge check following each lesson. The lessons consist of

- Introduction to Operation Motorsport
- Roles and responsibilities
- Safety procedures/equipment
- Administration

### Hands-on trackside training

These lessons will be carried out at the track, either with the team you are embedded in or by your event coordinator. They are:

- Race facilities walk-about
- Team garage
- Race team hauler
- Pit lane equipment and setup

After completing each lesson and knowledge check, you be able to move to the next lesson. Upon successful course completion, you will be given the option to print a certificate.
